

Catalog No.	Type:
Job Name:	

2000 Series

Decorative Low Profile Saucer

General Characteristics:

Lamp Type: Fluorescent
 Ballast Type: Electronic
 Standard Voltage: 120 (Universal 120-277 optional)
 Options: With Lamps
 Mounting: Ceiling or Wall Mount
 Additional Info.: UL Listed & Title 24 Compliant

Features & Specifications:

The 2000 series is a Low Profile Decorative Round Saucer with a stamped and spun housing that creates a floating effect on the mounting surface. This effect is further reinforced with the utilization of a shallow dome diffuser, in either white or clear prismatic. The diffuser mounts to the fixture housing with the use of three spring clips, which compress the flange on the diffuser inside the fixture housing.

- Finished in White, Brushed Nickel, or Polished Brass
- Diffusers constructed of 50% acrylic and 50% DR acrylic to allow easy mounting and accessibility
- A variety of lamping options
- Three diameters of size to choose from
- UL Listed for Damp location
